

Logistics Planner

<u>Company:</u>	Thomas, Large & Singer Inc.
<u>Location:</u>	Markham, Ontario
<u>Job Type:</u>	Contract - 12 months
<u>Experience:</u>	1-2 years
<u>Education:</u>	University Degree or College Diploma

General Job Description

Thomas, Large & Singer Inc. (TLS) is currently seeking an energetic **Logistics Planner** to join our team.

Reporting directly to the Senior Manager of Transportation, the Logistics Planner is responsible for all truck planning and space optimization activities within CubeIQ and Descartes Transportation Management systems. Ensuring track and trace data availability within MacroPoint, KPI and scorecard maintenance. This position will be based out of our TLS head office in Markham, Ontario.

Summary of Duties and Responsibilities:

- **Load Optimization:**
 - Utilize CubeIQ to maximize truck configurations
 - Validate equipment type
 - Audit load plans, including product stackability and sales order accuracy
- **Transportation Planning:**
 - Utilize Descartes TMS (Transportation Management System) to validate carrier and tariff selection process
 - Ensure carrier tenders are EDI transmitted and accepted to meet Customer requested arrival dates (RAD's)
 - Confirm location pings are present within MacroPoint for accurate shipment statuses (track and trace validity)
- **Communication:**
 - Coordination with carriers, warehouses and internal teams
 - Provide guidance and consultation to Customer Care team for load simulations and 'fit' data for customer PO communication
- **Issue Resolution:**
 - Identify and resolve transportation-related challenges within scope of TMS systems
- **Reporting & Documentation:**
 - Maintain records of load planning and optimization activities, including but not limited to SOP's
 - Create and maintain scorecards in support of carrier & service level KPI's
 - Generate reports related to load efficiency and costs

Key Qualifications:

- Preferred Bachelor's degree in logistics, supply chain management, business, or equivalent relevant professional experience.
- A background in supply chain, logistics, or transportation is an asset
- Excellent technical skills (Excel, Reporting, EDI)
- Experience working with freight transportation statistics; with an analytical mindset
- Solid customer service skills and strong multitasking abilities.
- TMS / truck load planning knowledge an asset
- Previous CPG experience with major grocery retailer knowledge is a definite asset
- Excellent communication skills both written & verbal

What's In It for You...

- **Great team** dynamic and tight knit company culture. One of the most important factors in choosing your next role is the people you work with and our people are AWESOME!
- **Flexible work environment.** Ability to work from home 2-3 days per week.
- **Summer Hours Program** – who doesn't want to leave early on Fridays to spend more time with friends and family while the sun is shining.

Interested candidates may apply by email to Human Resources, HR@tlscanada.com with your resume and salary expectations.

We thank all applicants for their interest, however, only those selected for an interview will be contacted.

Thomas, Large & Singer welcomes and encourages applications from people with disabilities. Accommodation is available on request for candidates taking part in all aspects of the selection process.
